

International Conference on Recent Advances in Mathematics & Applications

(RAM&A-2026)

Hybrid Mode

December 24-26, 2026

Department of Mathematics
Netaji Subhas University of Technology
(Dwarka Sector-3, Dwarka, New Delhi,
110078)

rama2026@nsut.ac.in
sumita.dahiya@nsut.ac.in,
bhawna.gupta@nsut.ac.in,

rama2026.org

$\sin \alpha \pm \sin \beta = 2 \sin \frac{1}{2}(\alpha \pm \beta) \cos \frac{1}{2}(\alpha \mp \beta)$

ABOUT THE CONFERENCE

RAM&A-2026 brings together researchers, academicians, and professionals from across the globe to discuss recent advances in both pure and applied mathematics, with special emphasis on real-world applications. The conference aims to promote intellectual exchange, interdisciplinary collaboration, and academic excellence by uniting experts from diverse fields of the mathematical sciences- from algebra and analysis to computational modelling, data science, artificial intelligence, general relativity, cosmology, and astrophysics.

ABOUT THE DEPARTMENT

The **Department of Mathematics** at Netaji Subhas University of Technology (NSUT) was established in 1983 and became an independent department in 2013. It offers M.Sc. and Ph.D. programmes while providing foundational and advanced mathematics courses for engineering and science disciplines. With a team of experienced faculty engaged in diverse research areas and funded projects, the department is dedicated to excellence in teaching, research, and innovation.

ABOUT THE UNIVERSITY

Netaji Subhas University of Technology (NSUT), New Delhi, is one of India's premier technical universities, renowned for excellence in engineering, applied sciences, and interdisciplinary research. With a strong tradition of academic excellence and innovation, NSUT provides a dynamic environment for learning, research, and industry collaboration. The University is committed to nurturing skilled professionals, researchers, and leaders who contribute to technological advancement and societal development.

ORGANIZING COMMITTEE

PATRON IN CHIEF

Prof. Anand Srivastava

Vice Chancellor, NSUT, Delhi

PATRON

Prof. Sonika Bhatnagar

Dean, Faculty of Sciences, NSUT Delhi

CO-PATRON

Prof. Vijay Gupta

Head, Department of Mathematics, NSUT Delhi

CONFERENCE CHAIRS

Prof. J. Jena

Prof. J.K. Singh

Dr. Mamta Mishra

Dr. Niraj Kumar

CONVENERS

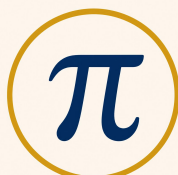

Dr. Sumita Dahiya

Dr. Bhawna Gupta

FOCUS AREAS

Topics of interest for submission include, but are not limited to:

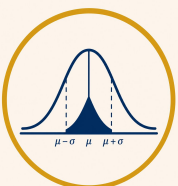

Pure Mathematics

Algebra, Real Analysis, Complex Analysis, Functional Analysis, Operator Theory, Approximation Theory, Number Theory, Topology, Geometry

Applied & Computational Mathematics

Scientific Computing, Ordinary & Partial Differential Equations, Mathematical Modelling, Numerical Analysis, Optimization, Data-Driven Computation, Computational Mathematics

Probability, Statistics & Mathematical Sciences

Probability Theory, Mathematical Statistics, Stochastic Modelling, Financial Mathematics, Statistical Learning, Reliability Theory

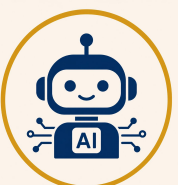

Cosmology & Astrophysics

Gravitation, Cosmology, Astrophysics, Black Holes, Gravitational Lensing, Radiating Stars, Dark Matter, Dark Energy

Information Security & Emerging Technologies

Cryptography, Coding Theory, Cybersecurity, Information Security, Blockchain Technology, Mathematical Foundations of Secure Computing

Artificial Intelligence & Interdisciplinary Applications

Artificial Intelligence, Machine Learning, Deep Learning, Data Science, Scientific Computing, Intelligent Systems, Mathematical Applications in AI

We encourage original contributions in the above areas that include novel algorithms and methodologies, real world applications, interdisciplinary research, and ethical considerations in Mathematics.

CALL FOR PAPERS

- **RAM&A-2026** invites original and unpublished research contributions for presentation at the conference.
- Submissions relevant to the conference themes and areas are welcome.
- All abstracts must be submitted in English.
- Accepted contributions will be presented in the Contributory Paper Sessions.
- Accepted abstracts will be published in the Conference Proceedings with ISSN.
- Selected papers may be considered for publication in indexed peer-reviewed journals, subject to review and publisher approval.
- For submission guidelines, templates, important dates, and updates, please visit the conference website.

IMPORTANT DATES

- ✓ Abstract Submission Deadline: **October 31, 2026**
- ✓ Notification of Acceptance: **November 10, 2026**
- ✓ Early Bird Registration (Closes): **November 15, 2026**
- ✓ Registration Deadline: **November 21, 2026**

*For Abstract submission, scan the provided QR.
For Registration visit our Website [here](#).*

Abstract Submission — RAM&A-2026
cmt3.research.microsoft.com/RAMA2026

Registration Fee includes attending sessions, conference kit, lunch, high tea & snack, and the conference banquet.

REGISTRATION DETAILS

Early-bird fees valid through November 15, 2026. Fees increase thereafter.

Indian Delegates

Category	Paper/Oral Presentations	Poster Presentations	Online Participation
Faculty/ Industry/ Post Doc	₹4,000	₹3,000	₹3,500
Ph.D. Scholars	₹3,000	₹2,000	₹2,500
Students(UG/PG)	₹2,000	₹1,000	₹1,500
Attendee (Non-Presenting)	₹2,000 – all categories		₹1,500

Overseas Delegates

Category	Paper/Oral Presentations	Poster Presentations	Online Participation
Faculty/ Industry/ Post Doc	US \$150	US \$150	US \$145
Ph.D. Scholars	US \$100	US \$100	US \$95
Attendee (Non-Presenting)	US \$80 – all categories		US \$75

CONTACT DETAILS

1. Official Email Id (rama2026@nsut.ac.in)
2. Dr. Sumita Dahiya (sumita.dahiya@nsut.ac.in)
3. Dr. Bhawna Gupta (bhawna.gupta@nsut.ac.in)

International Conference on
Recent Advances in
Mathematics & Applications

We look forward to
welcoming you at NSUT
